

COMPANY PROFILE 2026

Welcome to Rudraan Events & Exhibitions

Conferences, exhibitions and brand experiences, with 16+ years of experience and 800+ events delivered across India.

ABOUT RUDRAAN

One team for design, production and delivery

Rudraan Events & Exhibitions plans and runs conferences, exhibitions, corporate events and brand activations across India. From concept and 3D design to fabrication and on-site management, every project is handled by one accountable team.

16+

Years of experience

800+

Events managed

100%

Client satisfaction

WHAT WE DO

Four service lines, one standard of delivery

Conferences

Venue, production, registration, AV and on-day management.

Exhibitions and stalls

3D design, fabrication, Octonorm systems, branding and installation.

Corporate events

Product launches, dealer meets, annual functions and award ceremonies.

Weddings and entertainment

Weddings, private celebrations, concerts, festivals and live shows.

CONFERENCES

Every detail handled, on the day and before it

A successful conference needs careful planning and the right team. Rudraan manages the full chain, so organisers can focus on speakers and delegates.

- Venue selection and stage production
- Fabrication, branding and signage
- Registration and delegate management
- Audio-visual and technical set-up
- Catering and hospitality
- On-day coordination and speaker support

CONFERENCE PORTFOLIO

Large-scale conferences, delivered end to end

GDEC 1st Edition

Global Destinations Expo and Conference for weddings and films. JW Marriott Aerocity, New Delhi, July 2022.

DHI Water Conference

International conference on water challenges in India, with sessions, panels and an exhibitor area. New Delhi, February 2017.

AssistTech Summit 2025

Conference on assistive technology, theme Creating Solutions for All. Aerocity, New Delhi, April 2025.

EXHIBITIONS

From first brief to the last day of the show

We design, build and run exhibition stands, and work with clients to turn brand goals into a space that draws visitors.

EDUCATION FAIRS

Stands for universities and institutes

Branded fascia, counters and display walls that help institutions talk to students and parents on a busy fair floor.

We managed the production and conference for the 1st and 2nd editions of the CollegeDunia Career Carnival.

SELECTED CLIENTS

Brands and expos we have worked with

Six reasons brands come back to us

End-to-end management

Planning, venue, production and on-site delivery from one team.

Creative stall design

Custom 3D concepts that match the stand we build.

Premium fabrication

High-quality materials, installation and dismantling.

Experienced project managers

Specialists who run each event from brief to close.

Pan-India reach

Exhibitions and events across India, including Pragati Maidan.

On time, transparent

Clear communication and timely delivery on every project.

Let us plan your next event

Conferences, exhibitions and stall design, managed from first brief to final day.
